HELP SAVE OUR LAKE! SPONSORS AND DONORS NEEDED!

The Lake Holcombe Improvement Association is a non-profit, volunteer group raising funds for lake projects. We are currently involved with the WI DNR and Xcel Energy in hiring Enviroscience to stock sites in the lake with large numbers of native weevils to combat Eurasian Water Milfoil. It is safe and very effective but very expensive.

WE NEED YOUR HELP!

We need sponsors, cash and merchandise donations, gift certificates, and your attendance at

2nd Annual Lake Fest

Sunday July 24th

11am til 2:30 ish

Lions Club Pavilion

Cty Hwy M • Holcombe, WI
